Re - constitution of the Bangalore Trust Board. (15)

2037

I have had a consultation with the Chairman of the Trust Board re the representation of the Official element. He is definitely of opinion that the Municipal Commissioner, the Chief Engr for Roads & Buildings, the Chief Architect or the consulting architect and the Director of Public Health should be there with the vast schemes of extensions on hand it is very desirable that these four officers are on the Trust Board. It leaves two places for nominations of non-officials. The following are nominated as members of the Trust Board, Bangalore
